Welcome from the Principal

Dear Loveland Families,

We are all thrilled the new school year is underway. Loveland is very fortunate to have staff members who work hard each and every day to provide the best experience for all students. We have a number of teachers who have been taking classes, reading professional books, and participating in professional development activities over the summer to continue to grow in their teaching. I would like to thank all the Loveland staff for the work they do each and every day, including the summer months, to prepare for the 2017-18 school year.

Your children receive the best education when you and our dedicated teachers work as a team. It is a parent's enthusiasm, support and involvement that inspires children to do their best, and a teacher's ability to teach what they need to learn. Together we can achieve wonderful things.

There is a lot of excitement ahead of us, including new books to read, new friends to meet, and new skills to master. We look forward to sharing in those exciting times with you and your child.

Sincerely,

Ms. Stephanie Hornung, Loveland Principal

About the school

Loveland Elementary School was one of three schools that originally collaborated to create Westside Community Schools. Today, its original Tudor facade fronts a modern elementary school serving more than 275 students.

More than 50 certified and non-certified staff members have made learning the first priority with impressive results. Academic goals at Loveland are based on district outcomes, board adopted curriculum, research of best practices, and analysis of student data. Loveland's leadership fosters a learning community through participation in weekly Professional Learning Communities (PLC), weekly Student Assistance Team (SAT) meetings, weekly grade level team collaboration, and accountability for quality lesson plans.

Goals for self-discipline are supported through a character education program helping children become more responsible, respectful, and caring human beings. The school maintains an active community club that supports a variety of academic, social, and fundraising activities. High attendance at school functions is further evidence that at Loveland Elementary everyone works together to educate the whole child in a caring environment.

Loveland Elementary FAQs

Can I join my student for lunch?

Absolutely! We love to see parents join their children for lunch. It's a pretty basic process. When you arrive at the school, sign in at the front desk and grab a visitor pass. You can then proceed to the lunchroom and join your child. Your child is allowed to invite two friends to join him/her at the table in the northwest corner of the room (teachers can show which table it is). If you are not bringing your own food and would like to enjoy a meal from the kitchen, please let the school know by 8:30 AM, and pay for the meal when you sign in.

What are Spirit Assemblies?

Spirit Assemblies occur the first Thursday of each month. These are times when the school comes together as an entire body to celebrate accomplishments, hear guest speakers and address any issues that the faculty feels are relevant.

jms 8/14/17 11:49 AM

Comment [1]: do we still have these?

What is Spirit Day?

Spirit Day is an opportunity for students and teachers to wear their Loveland shirts or Loveland colors (royal blue, black and white). It's a chance for the students to celebrate the loyalty and commitment they all share to Loveland Elementary. Typically each Friday is a Spirit Day.

How will the school communicate with me?

Classroom teachers will email weekly updates about the specifics of classroom involvement, including curriculum covered and important dates. The school will also email a monthly newsletter with all the relevant information about Loveland happenings. Please be sure to provide your email address to the front desk so you can be kept up-to-date on everything happening at the school.

How do I pay for my student's lunch at school?

There are two ways to deposit lunch money: (1) give a check to Mrs. Carlson at the front desk or (2) visit www.myschoolbucks.com and follow the link there to obtain your student's ID number. With this established account you will be able to:

- Set up your student with a lunch accounts
- Fund your student's account
- Set reminders for low balances
- View all your transactions

Once you have completed this task, you will be able to keep all payments in the student's fund, even through the summer. Any leftover amounts will automatically be applied to the next school year. For additional support or for questions, please contact Michele Divoky at divoky.michele@westside66.net or 402-390-3382, or you can go to support@myschoolbucks.com

If you give a check to Mrs. Carlson and have more than one student, make sure you tell her how to divide the money among each account!

How do I drop off and pick up my child from school?

Students should be dropped off no earlier than 8:25 a.m. on Ridgewood Avenue. Students needing to be dropped off before 8:25 a.m. must enroll in the morning Club 66 Program. Parents should stay in their cars and use the drop-off lane in the morning. The 6th grade safety patrol, Mrs. Streff, and Mrs. Sloup will be outside on Ridgewood Avenue helping children out of their car and they will be keeping traffic moving safely. Please have your child get out on the passenger side of the car. Remember, we have these procedures in place to ensure the safety of all the students.

Drop Off/Pick Up Tips

- When dropping off your child in the morning, pull forward as much as you are able to allow more than one car to drop off at the same time.
- If you need to enter the building for any reason, you must find a space in the lot or neighborhood and walk your child into the building.
- Please do not accompany your child to the classroom at this time.
- Teachers and staff will be on duty before and after school to assist your child.
- Do not park on Ridgewood Avenue and get out of your car to pick up your child on the sidewalk. All parents should stay in their vehicles and teachers will walk your child to your vehicle.
- Do not park in the handicap spaces unless you are entitled to do so by having a sticker or a placard visible.
- When picking up at the end of the day, stay in your car and pull forward as much as possible. Your child will then be permitted to enter your car with a teacher escort.

What is Club 66?

Club 66 is Loveland's before and after school childcare program. Childcare is available before and after school from 7:00 a.m. until 6:00 p.m. There is a fee and paperwork that must be filled out before your child can attend. Mr. Raydell Cordell III is our able director and can answer any additional questions you may have (contact information on page 8) or visit <http://loveland.westside66.org/early-childhood/>.

How can I participate in classroom parties?

Parents are invited to attend all classroom parties (Halloween, Winter, and Valentine's). There are opportunities to sign up to participate in organizing the parties, leading a craft or activity, but you may attend even if you aren't signed up to specifically volunteer. Don't be surprised if you are asked to lend a helping hand! Visit your student's classroom sign-up genius page to volunteer (links above under Staff Contact Information).

What snacks can I bring?

New to the district this year is the Safer & Healthier Foods Plan. The approved list of snacks can be found at the end of this document.

Loveland Community Club FAQs

What is the Loveland Elementary Community Club?

Loveland Elementary Community Club is an organization through which parents may meet and work together to be of service to Loveland Elementary School, and to provide a means of communication by and between the parents and the School. Our energies, funds and projects directly benefit the students or the School. Our mission is to bring together a council of people who will work together to enhance the learning experience at the School.

Each parent, step-parent and guardian of a Loveland student or students is, by virtue of that fact, automatically a member of the Loveland Community Club, and is entitled to all the benefits of such membership.

How can I get involved at Loveland?

There are many ways to get involved at Loveland. This packet will introduce you to most of the activities that occur during the school year. Loveland Elementary puts a tremendous amount of effort into making sure that the students' experience is a special blend of education AND community. This is accomplished with events like classroom parties, Adult Night Out, open gym nights, Field Day, and the annual ice cream social, just to name a few.

If you are available to assist with any of the Loveland activities, you can simply contact your Grade Representative to get more information. Grade Representative contact information is listed on page 15 of this packet.

Who can help me navigate the school and its activities?

If you are new to Loveland Elementary, your first stop for assistance (besides the school administrative assistant) will be your child's *Grade Representative*. There is one grade representative per grade level. They attend monthly Community Club meetings and communicate the happenings back to the families in their grade. This individual also works with Room Parents to coordinate volunteers when needed. They can help you locate information you may need or refer you to the correct person to help you. Keeping their contact information handy would be a good idea.

Your child's class will also have a *Room Parent*. The Room Parent is primarily responsible for coordinating volunteers for classroom parties, gathering silent auction items, and coordinating coverage by parents when teachers attend seminars. They can help you locate information you may need or refer you to the correct person to help you. Keeping their contact information handy would be a good idea.

What activities are happening at the school this year?

The calendar below outlines the activities planned for the 2017-2018 school year. Please go ahead and place these dates on your calendar and plan to attend! If you are able, we would encourage you to not only attend the activities, but also to volunteer at them. Parent participation is the number one reason we are able to offer so much at Loveland Elementary.

What you need to know about confidentiality...

Loveland Elementary parent volunteers are in a position of trust and may see personal information. Please know that all information is highly confidential. We take great pride in protecting the Loveland community and the privacy of all of our students.

What you need to know about safety...

Although it is recognized that parent volunteers will often be in the classroom, front office, or elsewhere in the school, all volunteers must sign in and out of the front office.

The Loveland Elementary staff must be aware of who is in the school at all times in case of emergency and to ensure the safety of our students.

How can I get involved in the Westside District?

The Westside school district has many ways for parents to be involved. Visit the following website for more information. <http://westside66.org/get-involved/>

Loveland Community Club Committee Descriptions

Adult Night Out

This is a fun, social evening out for the parents/guardians of Loveland students. This fundraiser includes raffles and a variety of Silent Auction items. But more than raising money, it is an opportunity for Loveland adults to meet each other, sans kids, in a laid-back social outing.

Art Smart

Held in the Spring, this enrichment activity draws out the artist in all Loveland students. Throughout the week, artists in residence or musicians come into the classroom to share their expertise with the children. The goal is to create a program each year that beautifies the school in a unique and personal way.

Book Fair

This event is held in conjunction with the October Parent-Teacher Conferences. Proceeds from this event go toward improvements/enhancements to the materials available in the Media Center.

Box Tops

As an ongoing way to raise money for Loveland School, all students are encouraged to collect box tops from a long list of consumer products. Throughout the year there will be competitions amongst the classrooms with the top classroom receiving a special treat.

Directory

The Loveland Directory is a comprehensive booklet that contains student body contact information, district telephone numbers, the school calendar, class lists, and community advertisements.

Family Restaurant Nights

Coordinate with local restaurants to host a Loveland Family Night. A percentage of each meal purchased is paid back to the school. It's not only a great social gathering for our community, but also a great way to support a local business.

Hospitality/Teacher Appreciation

Help show the Loveland staff how much we appreciate them throughout the year. Coordinate conference dinners, teacher appreciation week, birth/wedding celebrations and more!

Hy-Vee Receipts

Help collect Hy-Vee receipts in the fall. Keep track of the total sales and submit to Hy-Vee. A portion of the total sales will be given back to Loveland.

Ice Cream Social

Held the first Friday in May, this is the largest community fundraising event. There are many opportunities to serve in this event, and parent involvement is strongly encouraged. The Ice Cream Social (which is a lot

like a carnival or fair) is held at the Westside Middle School, and, in addition to ice cream, has fun games for the kids to enjoy!

Landscaping

This committee is focused solely on the enhancement of Loveland's grounds. From landscaping to playground maintenance, an extra set of eyes on the state of the facility is always appreciated.

Library

Assist the school librarian by organizing parent volunteers to complete tasks in the Media Center, including checking books out to students on a weekly basis.

Homecoming Parade

Each year during the Westside High School Homecoming Parade, Loveland carries a banner and allows its students to march in the parade. The Community Club provides candy for the students to hand out. Help coordinate children and adults walking together.

Musicals

The musical committee assists our music teacher, Mrs. Bosworth, with the setup for the musical programs. Set up generally occurs the Thursday evening before that night's performance.

Red Cross Babysitting

Help organize the Red Cross Babysitting certification course. Generally held in the spring for all children 11 years and older who want to be certified.

Spirit Wear

This committee is solely responsible for taking and fulfilling orders for Loveland shirts and hats. Buy products online anytime, and they will be delivered to your student at school.

<https://squareup.com/store/lovelandspiritwear>

Variety Show

Coordinate the student acts and production of the Spring Variety Show. Generally occurs in mid-April.

Wellness

Help coordinate various healthy activities for the children to participate in throughout the year. These activities include open gym nights, Field Day, Girls on the Run, and the Nannen Fun Run.

Westside Community Council

Westside Community Council is comprised of two to three members from each of the 12 schools in the District. The members plan and implement district-wide volunteer activities for students in all grades. Each member serves on a minimum of two committees. Committees include Health Screenings, Westside Middle School Career Day, Battle of the Books, District Outreach/Advocacy, Clothes Closet, and Grade Level Assemblies. The Community Council meets the second Friday of the month from September through May at the ABC Building.

2017-2018 District-approved Snack List

Safer & Healthier Foods Plan

District-Approved PK-6 Treats

Revised July 2017

Westside Community Schools promotes student wellness and safety by monitoring food provided at school for student consumption. To minimize the risk of exposing students to potentially harmful foods or allergens, any items other than those sent by parents/guardians for their own child must appear on the list of District-approved classroom treat options below.

Whether for consumption in the classroom or at school-sponsored meetings or activities, all foods must be commercially prepared and packaged, and unopened. In no case may homemade goods be shared or distributed for student consumption. **Please coordinate with teachers and administrators before bringing snacks into PK-6 classrooms. This list is current as of July 17, 2017, and does not cover all food allergens. Manufacturers' ingredients can change; therefore it is important to read labels every time you purchase a snack.** All snacks that contain peanuts or tree nuts and their derivatives are unsafe for classroom distribution. Thank you for your help and understanding in keeping our students safer and healthier.
