Dear Loveland Families,
This will be the final issue of the Loveland Leader for the 2017-18 school year. I want to take this opportunity to thank you for the many ways you have supported your children and the staff at Loveland this year. The Community Club activities and fundraisers were successes this year because of your willingness to volunteer and support Loveland throughout the year. Your attendance at Parent Teacher Conferences and interest in helping meet the educational needs of your children makes a positive difference in their education. I hope you all have a very safe and enjoyable summer.

Summer Reading Tips for Parents

Set aside a consistent time each day for reading. Depending on your family's schedule, reading time might be in the morning, afternoon or before bed. Whatever time you choose, stick to it, but also remember that flexibility around trips and special family events is OK.

- Read aloud to your reader. As school-aged children become better readers, parents often stop reading aloud to them. However, by reading more difficult books aloud to your reader, you help him learn new vocabulary words, concepts, and ways of telling stories or presenting information.
- Connect read-aloud choices to summer activities. Read your child books about camping, such as "Webster and Arnold Go Camping", before or after a camping trip. When you read and discuss books about things your child has experienced, you help her learn important vocabulary and extend her understanding of experiences.
- Allow your child to choose books for summer reading. While it is important for your child to complete reading required by his school, it is equally important for him to read about topics that interest him, whether it is insects, dragons or a favorite fiction series.
- Take books along on outings. Pack books in your beach bag or picnic basket, and bring a stack on long car rides. You and your child can enjoy books together anywhere you go this summer.
- Encourage your child to write this summer, too. From writing postcards to friends and relatives to keeping a journal while on a trip, summer presents unique ways for your child to write about his own experiences.

LUNCH MONEY

Your child's lunch account must have a zero or positive balance at the end of the school year. Any money left over in the account at the end of the school year will not be lost.

It will be transferred to the next school year, even if the student is moving to the middle school.

Library Materials

All library materials are due back to the library by Friday, May 18th. If a book is lost, the cost to replace it needs to be paid by Thursday, May 24th.

Information Needed:

If your child will not be coming back to Loveland next fall because you are moving or transferring to another school, please let our office know as soon as possible. This information is very important to us as we prepare for fall classes.

Yearbook

Thanks to everyone who helped with the yearbook by submitting photos. We would like to especially thank Katie Bauerly who served as the editor and creator for the 2017-18 Loveland yearbook. She put in a ton of hard work and time to make sure all the activities were captured and included in the yearbook!
