Presidents Report, Joy Suder

Executive committee met regarding the cub scouts charter and unanimously voted to not be the chartering organization. The LCC was previously listed as the charter, but without its knowledge. The LCC does not have a contractual relationship with any other group that operates within the school and is not able to fulfill the responsibilities of a chartering organization.

Vice Presidents Report, Amanda Smith

1. Directory - Candace Anderson is working on the directory, she's a new parent who's volunteered to work on it, THANK YOU! If your information isn't correct or if you want to change to allow your information printed you have to change that in person at the ABC building.
2. Boundary Update (Kayla Hawkins presenting)
Boundary Committee was put together to make a recommendation to the board which

will be voted on in January. There are 2 remaining options. They are available to view on the district website, please check them out and let your voice be heard to any/ALL of the School Board members. Option 1 changes Loveland the least. Please talk to your neighbors (especially empty-nesters) and let know what's going on.

Treasurer's Report, Jackie Anderson

1. New Forms -please fill these out if you need reimbursement. They will be available online, and at school. If you have any questions please contact Jackie Anderson.

Committee Reports:

Junior Achievement, Annette Shukry

We are currently seeking parents in each grade to teach civics in the classroom. JA provides you with the packet, and all materials, needed to teach the class. It's a wonderful way to reinforce what the kids are learning, but thru another resource. You schedule a time with the teacher according to what works for you. This is usually 5 sessions of 45 minutes each time.

Wellness, Mary Clare Sweet

Open Gym with soccer was a major success. ISW works on full body mind, nutrition, and overall wellness. About 15 kids attended.

The Rose is scheduled for the next Open Gym (after Thanksgiving).

Girls Run Club had a wonderful event despite the weather. 82 people signed up, however due to the weather about 35-40 people attended.

Book Fair Update, Katie Bauerly

Amazing year, total sales were around \$7k, that gives us about \$3k in Scholastic money for the library.

Adult Night Out, Carrie Strovers/Brittini Redding

January 11th mark your calendar! More info to come.

Hospitality, Sarah Newman/Mandy Boyle
